# Saginaw Gun Club News

---

*The Annual Meeting  
will be held Thursday,  
February 7<sup>th</sup>, 2019*

---

The club has had a busy year! We have many new members coming out to enjoy all we have to offer here at Saginaw Gun Club. Our skeet, trap, 5-stand, sporting clays and pistol range venues are said to be the finest around by fellow shooters, members, guests, and competitors. We are so proud of our club and its progress.

We continue to rent out our fully equipped facility. Please keep us in mind for your next social event. Contact the club to reserve a date. Our rates are reasonable and it helps support the club.

Skeet shooting at the club this past year was quite successful with two NSSA sanctioned tournaments and one youth tournament. We also had a Michigan Scholastic Clay Target competition. Over 100 Michigan youths and their families came to our club for this event.

## **57<sup>th</sup> Annual Delta Open Skeet Championship**

July brought us the 57<sup>th</sup> Annual Delta Open Skeet Championship. We had 32 competitors from around the state that traveled to the SGC for this event. And let's not forget to give special thanks to the sponsors, A & D Home Health Care, Britt Heinz Tree & Landscaping Service, and Enviro Tech Coatings LLC; along with everyone who donated their time, energy, and funds to make 57<sup>th</sup> Delta Shoot a success.

Kudos to the kitchen staff who prepared the great meals that everyone enjoyed. If you would like to help, volunteer or sponsor the 2019 Delta Open, please contact the club or Lexi Petro (989 274 0686). Al Popp, who by the way, donates and prepares the delicious Saturday evenings dinner. Thanks, Al.

This year our 58<sup>th</sup> Delta Shoot will be held July 5<sup>th</sup>, 6<sup>th</sup>, & 7<sup>th</sup>, 2019. This promises to be another great get together for all attending.

---

*If you would like to help out, please contact one of our board members or stop by and ask about helping.*

---

## **Sporting Clays Course**

Our Sporting Clays Course has seen increased year-round traffic ever since we fully-automated the course a couple of years ago. Come out and challenge yourself to a fun round with fellow members, family & friends or business associates.

Our Indoor-Pistol facility is becoming busier all the time. Thank you, Britt Heinz, for executing such efforts to utilize our original log building. The well-received updated range is not only being enjoyed by our members, but also utilized by local law enforcement for regular training and practice. Stop in and check it out!

## **Reminders**

Membership renewal forms are enclosed with this newsletter. Please review the enclosed membership form and make applicable changes to contact information when you return your form and dues. They also make a great gift. Any additional financial help you can give makes a big difference in our ability to maintain and improve our facility.

Lastly, please do not forget to thank the relatively small group of dedicated members who keep everything in order. Their efforts are truly appreciated.

In closing, come on out...have fun and enjoy the camaraderie of many like-minded shooting sport enthusiasts. We wish everyone a healthy, happy, prosperous and gratifying New Year.

Sincerely;

Saginaw Gun Club, Inc.

John A. Glynn, President
