

NEWS – JAN 2018

NOTICE: Annual Meeting,
February 8, 2018, 7:00 p.m.

Greetings to All:

We wish for everyone good health and a gratifying and prosperous 2018.

Our club continues to offer excellent opportunities for the enjoyment of the shotgun shooting sports of skeet, trap, sporting clays, 5-stand and indoor pistol shooting.

We encourage our members, their families and friends, and fellow sportsmen and acquaintances to take advantage of the opportunity to rent the club facilities for their various parties, reunions, meetings and business outings. We have a fine facility for hosting these types of events, with indoor and outdoor spaces for gathering along with kitchen and grilling capability. We can put together a package for almost any type of event.

We will host a SUPER BOWL PARTY on February 4th.

FUN shooting and delicious food!

Please bring a dish to pass. We will have the main dish ready!!

We will host two registered skeet shoots in 2018.
The "Chevy 200" on May 12th
and the 57th Annual Delta Open
on July 6,7and 8, 2018.

**We are looking for
sponsors for these
events... let us know
if you can help out.!!**

We will also host a
Scholastic Shooting
Tournament on April 7th
for the youth shooters
of our state.

2017 was a successful year for our club.

We held two registered skeet tournaments and hosted 125+ youth shooters of the Michigan Scholastic Shooting Sports Association for a combination skeet and sporting clays tournament.

Helping to make this possible, we were fortunate to have the support and dedication of many of our members volunteering their time and resources to open, operate, maintain and promote our club.

**I would like to express our gratitude
to a handful of those who really stepped up
to make a difference in 2017.**

Special thanks to Russ and Margaret Morgan, Tom and Paula Irish, Randy Almirall, Paul Wilczynski, Tom Reed, Britt Heinz, Fred Sunderman, Roselyn Argyle, Al Popp and George Stimac. Many others gave their energy and support as well. We would not be able to operate our fine facility without the generous donation of their time, energy and resources. **Thank you.**

Winter is a challenging time for our operations...snow removal, trap machine maintenance, target loading and clubhouse operations require the dedication and responsibility of our membership to keep things going. "Please" let us know how you can contribute to help keep things going.

Planning is also in the works for a **Sporting Clays Tournament**... details to be announced as plans are finalized... we have a fine automated sporting clays course for this competition. It will be open to all shooters, men, women, and youth.

We've recently had to replace our clubhouse furnace...a special "Thank You" to all who donated to this cause!!

On a sad note, we have lost fine members and good friends of our club this past year; Ed Nagle and Gary Rottman ... our condolences and prayers to their family and friends.

Enclosed are your dues renewal form and two vouchers for your guest shooters.

Please notice the line on the renewal form for a voluntary contribution in addition to your annual dues. These additional funds help with unforeseen expenses and facility maintenance and improvements. Please help if possible. Thank you.

Lastly, membership growth remains a challenge for us... please bring a friend or two and expose them to the fun, enjoyment and challenge of the shooting sports!!

Our generation is charged with continuing the American heritage of safe gun ownership and recreational and competitive shooting. Please join your fellow club members in fostering a friendly environment of camaraderie, safety and FUN shooting at the Saginaw Gun Club. "Please" let us know how you can contribute to help keep things going.

Our Annual meeting will be held Thursday February 8, 2018 at 7:00 p.m.

We will have a **club dinner preceding the meeting at 5:30 p.m. All are invited.**

Elections of Board of Directors will be held. We are looking for nominations of members to the Board. Four board positions are open. Let us know if you are able to help our club with your time and abilities.

Sincerely;

SAGINAW GUN CLUB

John A. Glynn, President
